INSPARK Deployment Considerations

1. Do you have previous deployment experience? Yes No

If you answered yes, briefly describe your missions and functions of the deployments

2. Are you willing to do building assessments after a disaster?

- I am willing and able to do building assessments
- I am not able to do building assessments but would like to help in other ways
- I am not willing and/or able to perform building assessments, but would like to gain educational value from this program

3. Are you willing to travel outside of the State of Arkansas to perform building assessments through the Emergency Management Assistance Compact? Yes No

4. Please indicate any additional information to be considered when reviewing your information including potential medical conditions that may interfere with your deployment and/or ability to assess structures without proper accommodation.

Thank you again for your time and consideration to help the people of Arkansas and those adversely affected by disaster. Please remember that information within this form can be updated at any time by contacting the Arkansas Department of Emergency Management. If you have any questions regarding this form or the INSPARK Program, please contact the Earthquake Program Manager at the Arkansas Department of Emergency Management.
